Eben Poor Clerk of the said Circuit Court for the County of

I Daniel Webber in conformity to the Law of May 1. 1820
did in the month of July of that year exhibit on oath in open
Court a Schedule of my Property in order to be continued on
the Pension List but on recent enquiry at the War Office I find
my Schedule was never received there.

I entered into the service of my Country in May 1775
and rose from the rank of a private Soldier to that of a
Lieutenant and actually served in the war of the Revolution
without once quitting the army except on a short furlough
from 1775 until peace took place and the main army
was disbanded in 1783 a service of more than eight years

My health is ruined and my Constitution impaired by
the hard service and the privations well known to those
acquainted with the incidents of the revolutionary war
For many years past I have been unable to perform a
days labour - My Physicians give me no relief for the
present, nor afford me any encouragement for the future.
Being compelled to hire what labour I have done on
the little land I improve in addition to the expense
of hiring help in the house I have since my pension
has been suspended accumulated sundry debts which
much embarrass me.

Unless the bounty of my Country whose Independence
- and I have eminently to the best of my ability as-
- sisted to establish is extended to me I must suffer
from want
